NOTICE

Date :

With a view to communicating with my beloved faculty members it is notified that the Research and Seminar Sub-Committee in its meeting held on 30.01.2025 resolved unanimously as follows:

1. Proposal for organizing Seminar/Workshop by each and every Department could only be entertained on the broad areas like **Human Rights, Intellectual Property Rights, Indian Knowledge System, NEP-2020, Constitutional Literacy, Gender & Environmental Issues and Legal Awareness.**

In doing the same each and every Departmental Heads are requested to explore outside agencies (both Govt & Non-Govt) as collaborating institute in this project. The College authorities will support some financial help on need basis where the fund is not sufficient to do so.

Mentionable that every Department must organize **at least 2 such activities by the academic year 2027-2028** positively.

The college is also going to introduce internal and academic audit where such activities will be reflected.

2. Being a post- NAAC review experience, the committee further resolved that each and every **faculty member (both Full-time & SACT) must publish at least 2 publications in UGC Care journals per year.** The college authority will provide some financial support to those who will finally be able to fulfill this mandatory requirement.
3. As regards participation in seminar/workshop in any outside institution, the teachers will be provided **Travelling Allowance (Actual basis)** to those who will present paper in that seminar. **Without paper presentation** participation in seminar is discouraging.

Date: 31.01.2025
